FIERY TASTE

Warning: C2 TO C8 can be raging hot. Only for adventurous Chilli-lovers who attempt to scale the Scoville hot-numbling sensation index.

A sambal recipe handed down through generations, the unique flavour of the Café's signature sauce concoction of more than 15 spices that's guaranteed to whet your appetite. The succulent buffalo wings are fried to crisp-perfection which their natural juices mixed with the tangy sambal Sauce to leave you craving for more. Your tolerance to spiciness will definitely be challenged. There are seven different levels to tease your taste buds, ranging from **Very Mild** to **Towering Inferno**-the ultimate level. Thankfully, a non-spicy option **Sweetie Spice BBQ** is also available
