## 客中作

兰陵美酒郁金香，玉碗盛来琥珀光。  
但使主人能醉客，不知何处是家乡。

### *A Guest's Song*

*Fine wine of Lanling with the fragrance of tulips, shining amber light in a jade pot.  
Let the host entertain his guests, where home is they would know not.*

Should you have any allergies or special dietary needs, please let our service staff know before placing your order.

## 静夜思

床前明月光，疑是地上霜。  
举头望明月，低头思故乡。

### *Thoughts in a Tranquil Night*

*A splash of moonlight on the foot of my bed, glittering as if it is frost aground.  
I lift my eyes and see the dazzling moon, I then bow my head, longing for home.*

### 月下独酌

天若不爱酒，酒星不在天，地若不爱酒，地应无酒泉。  
天地既爱酒，爱酒不愧天，已闻清比圣，复道浊如贤。  
贤圣既已饮，何必求神仙，三杯通大道，一斗合自然。  
但得酒中趣，勿为醒者传。

#### *Thoughts in a Tranquil Night*

*If heavenly immortals are not fond of wine, there would be no Wine Star constellation in the sky.  
If earthlings are not fond of wine, there would be no Wine Spring on earth.  
Since the whole universe is fond of wine, love of wine does not shame heaven.  
Clear wine compares well with the sacred, the murky wine is like the able and virtuous.  
All of the people don't stop drinking, why should one ask the immortals?  
After three cups the pathway to the Dao is shown, drinking one barrel one flows with the nature.  
The enjoyment attained via the savour of the wine, can never be explained nor shared with a sober mind.*

金樽清酒斗十千，玉盘珍羞直万钱。  
停杯投箸不能食，拔剑四顾心茫然。

#### *Hard is the Journey*

*Clear wine in golden goblets, ten thousand for a gallon. A plate of jade with choicest foods, feast worth a fortune.  
My goblet I lower, chopsticks I drop, eat not. My sword I draw, look around, think not.*

### *Bring in the Ale*

*Whenever bright opportunities appear, fulfill them here and there and hold dear.  
Not letting our golden goblets emptied of wine, when face under such bright moonshine.  
The talent I am blissfully endowed, my skill will facilitate what I have avowed.  
A thousand flakes of gold may be squandered, its value will in its way be recovered.*

### 送友人

青山横北郭，白水绕东城。  
此地一为别，孤蓬万里征。  
浮云游子意，落日故人情。  
挥手自兹去，萧萧班马鸣。

### *A Guest's Song*

*With a blue line of mountains north of the wall, and east of the city a white curve of water.  
Here "Goodbye" to you I have to say, like a loosened water-plant you will drift away.  
Minds are roaming like a floating cloud, like the sun must set and you must leave.  
Time to wave our hands to bid farewell, my horse is neighing again and again.*
